Recital Agreement

Our 14th annual studio recital will be held on May 14th and 15th at the Bell Center for Performing Arts. The Dress Rehearsal will be held on Sunday May 1st 2011, and attendance is mandatory if the student wishes to perform in the recital. Please reserve all of these dates now.

At the recital, parents of children under the age of ten must sign their child **in** prior to the show and **out** at the end of the event. **Please note that it is expected that all of the students will remain in the backstage area (with a volunteer parent) until the end of the recital - with the exception of the Beginner and Primary Ballet groups who are allowed to leave at intermission. There will be no 'in and out' privileges. Children must leave the theatre via backstage to be signed out at the end of the show. They will not be permitted to leave the stage to join parents in the auditorium.**

This is mandatory

This is done for the student's security and well being, and also protects the custody issues of some of the participating students. While we are in trust of your child at the recital we want to have complete confidence that they are safe and accounted for at all times. **Anyone who does not wish to comply with this policy must withdraw from the recital.** Please direct any questions or concerns to Talia or Sonja.

We encourage parents to volunteer backstage as we require at least 1 parent supervisor per class during the recitals. Should you choose to help out, you will be notified of your scheduled date and time closer to the recital.
